PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICES

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time required for searching existing data sources, gathering the necessary data, providing the information required, and reviewing the final collection. Persons are not required to provide this information in the absence of a valid OMB approval number. Send comments on the accuracy of this estimate of the burden and recommendations for reducing it to: the U.S. Department of State (A/ISS/DIR) Washington, DC 20520.

AUTHORITIES The information is sought pursuant to Sections 212(a), 221(d), 101, and 412(b)(4) and (5) of the Immigration and Nationality Act.

PURPOSE The primary purpose for soliciting medical information is to determine whether an applicant is eligible to obtain a visa and alien registration. This form is designed to record the result of the medical examination required by INA 221(d), which determines whether an applicant has a medical condition that renders the applicant ineligible under INA Section 212(a).

ROUTINE USES The information solicited on this form may be made available to the U.S. Department of Homeland Security for disclosure to the Centers for Disease Control and Prevention and to the U.S. Public Health Service. The information provided also may be released to federal agencies for law enforcement, counter-terrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other federal agencies for certain personnel and records management matters.

Although furnishing this information is voluntary, failure to provide this information may delay or prevent the processing of your case.
